

PRIMARY SOURCES - PART 2

Task A: In your triad (or small group) list the names of the items you identified in Part 1 under the category the item represents. You may put an item in more than one category.

Civilization, cultural diffusion, and innovation	Conflict and cooperation
Human interaction with the environment	Comparative history of major events
Values, beliefs, political ideas, and institutions	Patterns of social and political interaction

Task B: Place a star next to the items listed above that are primary sources. Be prepared to explain your reasoning if asked.
